

**Invitation** 29 | October | RaboBank Heerlen | 10:00 AM

# Laboratory for Green Transformable Buildings | 2<sup>nd</sup> International Reversible Building Design Symposium | Heerlen Towards Circular Building Implementation

## Innovation platform for circular buildings | **Reversible buildings**

International Laboratory for Green Transformable Buildings , GTB Lab is initiated by Dr. Elma Durmisevic and is supported by Regio Parkstad, IBA Parkstad, Rabo Bank, City of Heerlen, building cluster of 12 partners, knowledge cluster of seven partners and EU-consortium of 16 partners: Brussels Environment | VITO | BRE Group Limited | IBM Nederland | Vrije Universiteit Brussel | Ronneby Kommun | Sunda Hus I Linkoping AB | Technische Universiteit Munchen | Universiteit Twente | Universiteit Do Minhho | Sarajevo Green Design Foundation | Drees Sommer Advanced Building Technologies GMBH | ZUYD Hogeschool | Bam Construct UK | Aurubis Bulgaria | EPEA Nederland.

*This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 642384*

# 2<sup>nd</sup> International Reversible Building Design Symposium

**Datum: 29 October 2018**

**Location: RaboBank Heerlen, Euterpelaan 1, 6411 BG Heerlen**

## **Program:**

- 10:15 – 10:25 Opening address David Mevissen, RaboBank, Dr. Elma Durmisevic Founder GTB Lab/ UTwente
- 10:25 – 10:40 Opening lecture, Circular Limburg Peter Berholet Director Regio Parkstad
- 10:40 - 10:50 Prof. Jan Brouwer, Commissioner GTB Lab
- 10:50 – 11:00 Cross-border collaboration in de EURegio Prof. Dr. Christiane Vaeßen, Geschäftsführerin Region Aachen – Zweckverband , Germany
- BRIDGING THE GAP**
- 11:00 – 11:20 Bridging the gap between linear and circular building, GTB Lab/UTwente  
Dr. Elma Durmisevic, NL
- 11:20 – 11:40 Circular building assessment, Gilli Hobbs BRE, UK
- DIGITAL PLATFORMD**
- 11:40 – 12:25 Can information enable 100% reuse, BAM Nitesh Magdani, UK  
Block chain - enabling circular economy in construction, Simon Duindam, Reuse NL  
Material passport, EPEA Lars Luscuere, NL Germany
- CASES IN IBA PARKSTAD**
- 12:25 – 13:10 Inspirations from IBA Parkstad Kerensa Kuijpers IBA Parkstad, NL  
UIA Super Circual Estate, Martijn Segers, HeemWonen NL  
GTB Lab development, Ron Jacobs, ODS NL
- 13:10 Lunch
- POLICIES**
- 14:10 - 14:40 Dr. Caroline HENROTAY, Brussels Environment, Towards Policies for implementing Circular building in EU countries  
Peter Fraanje BRBS association of demolition companies in the Netherlands, Boosting
- FINANCIAL MODELS**
- 14:40 - 15:30 Circular Economy in Construction and the roll of financial sector, Anke Verhagen, RaboBank, NL  
WoonC, Wim Debacker, Waldo Galle, VITO, VUB, BE  
Business model for circular buildings- conclusions of the BMCB project, Wim Gielingh, Real Capital, NL
- INSPIRATIONS FROM THE INDUSTRY**
- 15:30 - 16:00 Circular construction methods De Groot Vroomshoop, Wim Sturris Directeur, NL  
Pilkington, Marcel Ribberink, NL
- 16:00 Closing session
- 16:15 Time to meet and talk

On behalf of Rabo Bank, Regio Parkstad, GTB Lab, IBA Parkstad, SGDF, Urban Innovative Action Super Circular Estate, Boosting, University of Twente and EU BAMB consortium

**We look forward to welcome you on 29 October!**

**FOR REGISTRATION** please send an e-mail before 20 October to: Eugen van den Boogaard
